MEMORANDUM

TO: Claire E. Reade, Esq.

FROM: Owen C. Smith

SUBJECT: GAO Seven Questions DATE: October 26, 1989

As discussed at yesterday's meeting, we intend to give the GAO a short memorandum briefly answering their seven questions in exactly the order in which they posed them to us in their written list. This would be for the purpose of leaving them with the knowledge that each of the questions has been addressed and saving them the task of making their own summary of what they will have heard.

I am transmitting that memorandum to you herewith.

You will notice that I make reference to their list of questions and say that I am attaching it to the memorandum. My only text of that list is in your memorandum of September 26, 1989, re: The GAO's Seven Questions. I wounder if you could supply the original, unannotated list of seven questions.

Many thanks.
